Commissioner of Patents and Trademarks

The reply filed on 4/7/2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the response failed to elect a species to use as a starting point for the search as required in the restriction requirement mailed 1/29/2003. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

NOTE: Also, the response filed 4/7/2003 failed to address the request for copies of the references cited on the information disclosure statements (IDS) filed. If copies of the references are not provided in the next response, these references will not be considered in the following office action and a line will be drawn through the references on the PTO-1449, as the Patent Office cannot fully consider references in which it does not have copies.
